

****Important Update about High Street Security contractor****

On behalf of the BID Board, I am writing to inform you that, effective immediately, our partnership with Sabre Commercial Protection has come to an end.

While the BID is disappointed to conclude the contract at short notice, this was in mutual agreement. They submitted a future working practice proposal that, unfortunately, was not feasible—both economically and operationally—for the Northfield business community.

As a result, the BID be going out to tender to secure a new high street warden provider, and we'll be sure to keep you updated throughout the process.

The BID would like to sincerely thank Sabre Commercial Protection for their service since September 2024 and wishes them every success in their future endeavours.

The BID Officers will continue to keep you updated with further information about upcoming warden security arrangements.

Thanks,

Marcia
